

**Prayer for Husbands and Wives**

**(Together) We thank and praise you Lord, for Your Goodness and Mercy.**

**Lord inspire us to bear the titles, “Husband” and Wife.”**

**Help us to look to You to rediscover the fullness and sacred mystery of our marital union.**

**Help us, Lord, to be honest with each other and ask, “Where have we been together and where are we going?”**

**Help us, Lord, were we have failed.**
